FAUCETS THAT Celebrate WATER

EXPERT IN WATER AND ENERGY MANAGEMENT

Aqualina envisioned a whole new world of bathroom fittings & Accessories. Aqualina is also a distinctive choice as an expert in water management. Its brass- manufactured faucets are extremely high quality and high tech to keep a pace of demanding Indian standards. Water and energy saving functions, easy-to-use features, ergonomic design as well as high pressure / low consumption streams are just some of the key advantages that distinguish Aqualina Faucets.
